OFFICE OF THE DEPUTY DIRECTOR OF AGRICULTURE, BANGALORE.

Tender Notice dated 2nd March 1936.

Sealed tenders will be received by the undersigned up to 4 P.M. on 30th March 1936, for the purchase of undermentioned Farm produce of the Hebbal Farm. The quantities mentioned in the Notification are only approximate and the tenderer is bound to purchase more or less than those mentioned below.

Tenders should be superscribed "Tenders for the purchase of Farm produce of the Hebbal Farm" and should accompany a Treasury chellan for having deposited a sum of Rs. 100 under revenue deposit in State Huzur Treasury in favour of the Deputy Director of Agriculture, without which the tender will not be received. Tender may be for one group or more.

If the tender is not accepted, the earnest money will be returned to the party. Final acceptance of the tender will rest with the Director of Agriculture who does not bind himself to accept the lowest or any tender or to assign reason whatsoever for the rejection of any tender. The earnest money of the successful tenderer will be adjusted against the dues on finally closing the accounts.

The tenders should quote rate of jaggory, sugar and rab per maund of 28 lbs. and for paddy and other produce per palla. The samples of the Farm produce can be seen by the tenderers on the Farm. Regarding jaggory, samples represent only an average and all the jaggory produced on the Farm will have to be taken over by the tenderer even should it vary from the sample.

Tenders will be opened by the Deputy Director in his Office at 4-30 P.M. on 30th March 1936, in the presence of as many tenderers as are present at the time and the rate will be read out to them.

The jaggory, sugar and rab will be weighed in the balance of the Farm and this weight will have to be taken as correct. The paddy and other articles will be measured by the Farm measures and will have to be taken as correct.

The successful tenderer will have to take delivery of the articles on payment of cash at the Hebbal Farm within a week from the date of acceptance of the tender. The jaggory will have to be taken delivery of every Saturday at 2 P.M. In case the boilings are continued even after the date of acceptance of tender, the tenderer is bound to purchase the quantity produced till the completion of boiling on the Farm during the season. If the tenderer is not himself present at the time of taking weights, the weight recorded by the Farm authorities will have to be accepted as correct. If the jaggory is not promptly taken charge of by the tenderer every week it will be stored on the Farm at the tenderer's risk and expense.

The earnest money deposited with the tender is liable to be forfeited to Government if any of the above conditions are violated.
